Experience

- JUNIOR REACT.JS DEVELOPER (INTERNSHIP)

M Parsec, Mar 2024 - July 2024, Karachi

At M Parsec, I worked as a Junior React.js Developer, where I contributed to a large-scale, real-world product ([Mahaana web Application](#)). Developed new features to enhance the application's functionality and worked on optimizing its performance. Collaborated closely with the team to ensure high-quality code and smooth user experience. Gained valuable experience in handling complex projects and real-world challenges.
- FRONT-END DEVELOPER (INTERNSHIP)

Web3gle, Jan 2024 - March 2024, Karachi

At Web3gle, I Served as a Frontend Developer Intern where I worked on several projects, gaining practical experience in web development. Focused on building and improving user interfaces using React.js and its core principles. Enhanced my skills in creating responsive and dynamic web applications. Worked closely with the team to deliver efficient and visually appealing solutions.
